SENATOR SCHMIT: Mr. President, members of the Legislature, the specific purpose of this amendment is to do three things. First, it provides that the limitation on personal services of \$15,000 in the previous bill is removed. It provides to reappropriate the money to the Executive Board of the Legislative Council for those programs that have to do with the operation of the Executive Board and also the fiscal office. Therefore, I move that the amendment be adopted at this time.

PRESIDENT: Any further discussion of the amendment? Question is, shall the amendment be adopted? All those in favor... Senator Syas, your light is on, does that indicate you want to respond? Thank you. Question is, shall the Schmit amendment be adopted on 496 on Select File?

(End of Belt #12)

(Begin Belt #13)

All those in favor vote aye, all those opposed vote no.
Clerk will record.

CLERK: 29 ayes, no nays on motion to adopt.

PRESIDENT: Motion is adopted. What's your pleasure regarding the bill, Senator Schmit?

SENATOR SCHMIT: I move the bill be returned to E & R for engrossing.

PRESIDENT: You've heard the motion now to return LB 496 as amended to Final Reading, E & R for engrossing. All those in favor of it... Senator Schmit.

SENATOR SCHMIT: The bill has to be re-engrossed, is that right? Yes. I move the previous motion.

PRESIDENT: Question is, shall 496 as amended be returned to E & R for engrossing? All those in favor of the motion please say aye, those opposed say no. So ordered, the bill as amended is advanced.

CLERK: Mr. President, I have some committee reports I could read in. Reads reports.

PRESIDENT: While the Legislature is in session and capable of transacting business, I am signing LB 68, 68A, LB 86, 164, and LB 357.

CLERK: Mr. President...

PRESIDENT: Do we have any other business on the desk?

CLERK: A committee on committees report. Reads.

PRESIDENT: Now once again I think we can return to Final Reading. We skipped over 258 this morning. The chair did not understand that that was on the list of bills that had been checked by the fiscal analyst and okayed regarding fiscal impact. So the first bill on Final Reading after the Senators take their seats and after we clear the floor and restore order will be LB 258. Senator Carpenter, for what purpose do you rise?

SENATOR CARPENTER: Well, I move, Mr. President, from now on we take the bills as they come, A-bills and everything else and vote them up or down. Let's quit fooling around and get this place into action and do one thing or the other. I so move.
